10TH IRGCE 2020

Tun Dr. Mahathir bin Mohamad
Prime Minister of Malaysia

The International Rubber Glove Conference & Exhibition (IRGCE), held once in every two years, is a **MUST VISIT** event for the medical care, oral dental, food handling, laboratories, Industrial handling and other industry users.

The 10th IRGCE 2020 is expected to continue to attract an increased number of buyers, importers and trade visitors during the three days event just as it had done so in the previous nine IRGCE events over the past eighteen years.

Human health safety will continue to grow its importance in our daily lives and the IRGCE has poised itself as the focal point for everything and anything related to rubber Gloves.

ORGANISER

The Malaysian Rubber Glove Manufacturers Association (MARGMA) is the organisation which represents rubber glove manufacturers in Malaysia and the supporting industries such as packaging manufacturers, chemicals & raw materials suppliers, NR Latex & Nitrile producers and distributors, industrial and production line fabricators as well as other relevant suppliers.

EXHIBITION

More than 500 exhibition booths will be available for companies to exhibit and promote their latest products, innovations and technologies during the three-day exhibition in the 10th IRGCE 2020.

The previous 9th IRGCE 2018 saw the largest number of exhibitors and visitors with 212 companies taking up to 513 booths across 9,710sqm of exhibition space. Companies hailed from 14 countries including the top five foreign countries, namely China, Thailand, India, Japan and England made up the majority of the exhibitors with a general increase amongst other countries as well.

CAREER TALKS

There will also be career talks organised for aspiring students from institutions of higher learning in order to expose them to the wide array of career opportunities in the growing Rubber Glove Industry.

ATTENDEES

The IRGCE is opened to all industry related players: the manufacturers, importers/buyers, materials suppliers, traders/distributors, researchers, financiers, investors and users of rubber gloves and disposable medical devices. The 9th IRGCE 2018 attracted more than 7600 quality trade visitors and conference participants over three exciting days.
