UMANG (Unified Mobile Application for New-age Governance)

UMANG (Unified Mobile Application for New-age Governance) is developed by the Ministry of Electronics and Information Technology (MeitY) and National e-Governance Division (NeGD) to drive Mobile Governance in India.

2.	UMANG provides a single platform for all Indian Citizens to access pan India e-Gov services ranging from Central to Local Government bodies and other citizen centric services. For more details: https://web.umang.gov.in

3.	Avail major government services (Indian Diaspora), explore & know about India (tourists & others interested in India) by downloading "UMANG India" app from Google Play Store (Android) or Apple Store (iOS).
