3rd EDITION OF INTERNATIONAL SME CONVENTION 2023 **18th to 21st JANUARY 2023, NEW DELHI, INDIA**

The Ministry of Micro, Small and Medium Enterprises, Govt. of India, is organizing the 3rd Edition of International SME Convention 2023 to be held from **18-21 January 2023 at EROS Hotel, New Delhi, India**, in association with India SME Forum.

2. This edition of the International SME Convention, aims to boost bilateral trade and partnerships inviting SMEs from all over the world to work together with Indian SMEs and create joint ventures, alliances and collaborations, building scale in their Indian operations. **The Convention will be hosting around 3000 entrepreneurs from India and 300 International entrepreneurs, representing 60+ countries.**

3. **The themes of 3rd Edition of ISC 2023 would be:**

- Make in India: Automating Indian SMEs in the 4th Industrial Revolution
- Technology Licensing & Collaborations: Key Enablers for Indian Enterprises
- Cleantech: Innovations for developing a New India
- SDG9: Strengthening Indian Industry, Innovation & Infrastructure
- Serviced in India: Empowering Partnerships with Service Enterprises

4. **The Focus Sectors for the Convention are:**

- Manufacturing
- Services
- Green Energy, Renewable Energy, Waste Management and Sanitation
- Agri, Food and Food Processing

5. Small & Medium Enterprises interested in setting up or entering India or getting into joint ventures and trade partnerships with Indian SMEs may register at <http://internationalsmeconvention.com> or email the International Trade Desk of India SME Forum at itd@indiasmeforum.org.
